

# Road Rage

Transform road rage into a rage for the road. Civia connects you with the pure joy of cycling. Dedicated to transportation, we spec our bikes with disc brakes, internal drivetrain, carbon fork, rack, fenders and a dynohub light. Civia is ready to roll out of the box and over to the supermarket. All you need to add is groceries.

For more information, visit our authorized dealers listed below or log into [civiacycles.com](http://civiacycles.com)

C I V I A

B.I. Cycle is committed to advocacy, safety and the community of cycling. Sensitive to the needs of cyclists at all levels, B.I. Cycle actively seeks practical alternatives to traditional cycling options as well as providing the latest available technology. Let our passion help drive yours.
